

# Innosuisse Part C Attachments

## Information to be eligible to apply for national funding

(to be attached as pdf file by the coordinator in Part C of the ECSEL project preproposal)

---

Swiss applicants participating in an ECSEL project proposal have to provide electronically additional documents/information to fulfil national requirements:

- Copy of the filled out **“Form C”** of the ECSEL proposal.
- If available: **Letter of Intent** to fulfil obligations within the project consortia.
- Last available **annual report** or similar from the company (only for SMEs).
- Short description of each participant about, working field, motivation to participate, track record within this call topic, what resources are available to participate in the project.
- Budget estimation on EU and on national level considering **Innosuisse rules**.
- In case several CH partners participating in the same ECSEL project, please coordinate, link together and submit one budget template of Swiss partners per project.
